# Benefits

# of participation as partner

- Involved in proposal writing of a large-scale project
- Learned how to manage a project with more than 20 partners
- Used the lessons learned from partners/NCP colleagues in our daily activities
- Increased the visibility as organisation at international level
- New connections brought new clients

# of participation in FPs

- Increased level of R&D, through the knowledge import
- Increased innovation capacity
- Increased commercialization and monetization
- Bigger in terms of funding than nationally funded projects
- Possibility to succeed internationally
- Financial return – grants are non-reimbursed
- “Stay tuned and ready” when a commercial opportunity arises
- Spill over to other companies and other part of society through subsequent collaboration
- Improved social welfare through the new job positions created
